

Co-operative Education In Drexel Today

The average employment of co-operative students in industry during 1935 was 95%.
The average earning of co-operative students for the year was \$492 each.
More than 90% of co-operative graduates (Class of June 1935) were employed before November 15, 1935.

Dr. Harry Allen

GENERAL INFORMATION

1. This District Track Meet is being held under the jurisdiction of the Board of Control, P. I. A. A. All contestants must meet P. I. A. A. eligibility rules. Events, conditions, etc., are governed by N. C. A. A. rules.
2. Class A schools are those whose total enrollment (boys and girls) in grades 10 to 12, inclusive, on October 1, 1935, was 200 or more; Class B schools are those with enrollments under 200 in same grades on the same date.
3. No school will be permitted more than three participants in any event with the exception of the relay race. In several instances it will be necessary for certain schools to "scratch" names from the printed program in order to comply with this rule.
4. No contestant may participate in more than three events.
5. No post entries, changes in entry lists, or substitutions will be allowed.
6. Trial heats and semi-finals will be necessary in certain events, but in the 440, 880, Mile, and both Relays, only finals will be held. If there are too many contestants for one heat in these events, they will be run against time, each main place winner being timed.
7. To keep the field clear for spectators and to have the Meet run under proper conditions, coaches and athletes not competing in events will keep away from the track during track events and from the field during field events. There will be ample room on the stands for all of these people.
8. The weight of the shot used in P. I. A. A. Meets shall be 12 pounds. The discus and javelin shall conform to N. C. A. A. standards.
9. Five places will be scored in each event on a 5-4-3-2-1 basis. Gold, silver, and bronze medals will be awarded to the winners of first, second, and third places in each event. Trophies will be presented to the school winning the highest total number of points in each class. Medals and prizes will be distributed to winners from a stand erected at the east end of the field near the finish line.
10. The preliminaries will begin at 10:30 A. M. (Daylight Saving Time). Finals will begin at 2:15 P. M. The District Committee desires the Meet to be run off without unnecessary delays. Contestants will therefore report promptly for their respective events.
11. The Teachers' College will provide luncheons at a moderate charge for all athletes, coaches, officials, etc., that care to make use of this service.
12. The price of admission to spectators is 25 cents.
13. The State Championship Track and Field Meet will be held at State College on Saturday, May 23, 1936. The classification of schools and the rules for competition are the same as those governing the District Meets. The lists of events are the same except that in Class B the 120-yard low hurdles is not offered in the State Meet. Each of the twelve districts in the State will send two teams, Class A and Class B. Each team will be made up of two representatives (relay teams) in each event. The District Committee, in preparing the entry blank for the State Meet, will select the contestants (relay teams) that finish first and second in the various events unless notification is given by successful contestants that they cannot participate in the State Meet. In such cases the Committee will select winners of third, fourth, or fifth places in order.
14. The order of events is as follows:

PRELIMINARIES (10:30 A. M.)

CLASS A

Track Events	Field Events
1. 100-yd. Dash, Trials.....10:35	1. Shot Put, Trials.....10:30

*Records held by District One. †Record held jointly by District One.

The records listed above for District One are the best performances in annual District Meets; the State records are those established in State Championship Meets.

CIVIL SERVICE POSITIONS

During a little more than a year 85 Strayer-trained students received United States Civil Service positions at salaries of \$1260, \$1440, \$1620 and \$1900 a year each.

High School and College graduates who are unemployed might do well to prepare for government positions.

New classes starting now—both day and night. Charges moderate.
