By BUTCH

The Main Line Baseball League, looking very much like a Chester County League, swung into action on four fronts, Saturday afternoon. Chester county teams figured in each of the league's four games. Of the four county nines, however, three suffered defeat. The only "local" club which emerged victorious was Downingtown. The Paper-town team got off to an impressive start in defeating Nantuxet, the league's defending champions, 8 to 3. Berwyn lost to West Philadelphia; Malvern bowed to Gladwynne and Coatesville was swamped by Brookline.

West Chester figures in the Main Line League to the extent that Malvern has drawn heavily from this town in making up its team. "Mickey" Mobelia, "Chet" Zercher, Bob Spaziani and Larry Hamilton, local Community League stars, are all members of the Malvern nine. Mobelia and Zercher were outstanding in Saturday's game, each collecting two hits and scoring one run.

West Chester fans were pulling for Ronald "Streaky" Collins, Downingtown High's sprint ace, in Saturday's events at the District One championships. Coach Francis Tweed's ace, however, was off form and could not catch his Conshohocken rival, Johnny Blaylark, in defeating Collins, failed to approach marks set previously by Collins. To observers in the press box it appeared that the Downingtown runner lost a lot of ground at the start of each sprint event. When he got under way he cut into Blaylark's lead, but could not entirely make up the lost ground.

Representatives of the press are deeply grateful to West Chester State Teachers College authorities for courtesies extended them at Saturday's meet. Not only was everything done to facilitate their work in the press box, but Steward J. Herbert Chambers also treated them to a fine meal at the noon hour. Visiting sportswriters were enthusiastic over the attitude of the college toward the members of their guild.

And while on the subject of the District Meet we can't let pass the opportunity of saying an additional few words of praise for the work of Francis "Mickey" Schlegel in putting the event "on the r." Schlegel, through the Jones Gurskey loud-speaker system, kept spectators well informed on every feature of the meet. The results were known within two minutes after the conclusion of every event. And that is mighty fast!

LOWER MERION COPS MEET BUT LOSES FEATURE

Garnet and White Reels Off Mile in 3 Minutes, 32.6 Seconds.—Don Lewis Gives Team Lead on Third Lap. Four Records Fall at District Championships

JOHN SMITH, RIDLEY PARK ACE, CRACKS SHOT AND DISCUS MARK

Outclassed in team scoring as Lower Merion High dethroned Upper Darby as track and field champion of District One, in the annual P. I. A. A. championships, at Wayne Field, here, Saturday. West Chester High, nevertheless, won the most coveted event of Class A program—the mile relay.

In proving themselves the District's outstanding relay team, Coach Harold I. Zimmerman's runners handed Lower Merion High's mile quartet its first defeat of the season. The Garnet and White baton-passers were out to avenge a defeat at the hands of Lower Merion, sustained in the Suburban Conference test at the Penn Relays. To do so they had to negotiate the four-trip event in the near-record time of 3 minutes, 32.6 seconds.

The Class A relay was strictly a two-team event. West Chester and Lower Merion took a commanding lead in the first lap and remained out in front until the finish. Jesse Lewis, leading off for West Chester, went out in front at the first turn and held his lead until the last fifty yards. Ted Jefferson, of Lower Merion, put on a great spurt to beat Lewis to the finish by a step. In the exchange of batons, West Chester gained some time, and Jimmy Janes, running second, was off in the lead. Janes, however, had trouble with Johnny McIntyre, Lower Merion's speedy freshman runner, and was passed as the runners swept into the stretch. At the finish, McIntyre was leading by 10 yards.

Don Lewis Stars

Don Lewis, captain of West Chester's track team, ran one of the best races of his career in the third spot, and virtually gave his team the victory. Trailing 10 yards at the start of his quarter, he slowly cut into the lead held by Cliff Roberts, of Lower Merion, and was there with a finish kick that enabled him to give Walter "Petey" Heed a 12-yard advantage at the start of the anchor lap.

Heed ran smoothly and maintained his team's advantage against Howard Witte, the Lower Merion anchor man, until the stretch. Witte sprinted at the head of the stretch and was cutting into Heed's lead in great bites as the two men flashed toward the finish. Heed, however, had held a little speed in reserve and opened up 30 yards from the finish to breast the tape

one of two double winners in that class. Aside from his victories in individual competition, White also ran the anchor leg for Avon-Grove's one-half mile relay team, and brought his team from behind to win.

Bob Deibler, of Prospect Park, won the high jump and broad jump in Class B.

A-G Home Runs Whip Kennett

Scoring two runs in the ninth inning, Avon-Grove High School defeated Kennett Square High, 7 to 5, in a County High School League game, at the Square-town diamond, last Friday afternoon. The A-G sluggers used seven hits, including three homers, to good advantage in run-production. The circuit blows were credited to Blake, Moore and "Charlie" White.

PIAA Dist. 1 Meet 5/18/1936 @ West Chester Wayne Field

AS ACES LAND TITLE

Maroon Trackmen Capture Class A Crown, Prospect Park B Winners

5/16/36 By WYC JUSTIN

WEST CHESTER, May 14 A champion was dethroned and three State and one district meet crashed in the annual Pennsylvania Interscholastic Athletic Association District One track and field meet staged at Wayne Field, West Chester State Teachers' College, here today.

John Smith, Ridley Park's brilliant weight man, and Clifford Knight, Ambler, established new State records while the sensational Freshman Johnnie McIntyre, from the championship Lower Merion team, set up a new district standard.

Lower Merion won its ninth consecutive triumph, easily winning the Class A title replacing Upper Darby winner last season. Just as easily did Prospect Park retain its Class B championship.

The Ardmore Aces of Lower Merion continued a long line of brilliant dual and open meet triumphs by running away with the Class A title. The Aces won four firsts, showed the same steady strength in gaining placements and rolled up 60 points to be far out in front in the final tabulation.

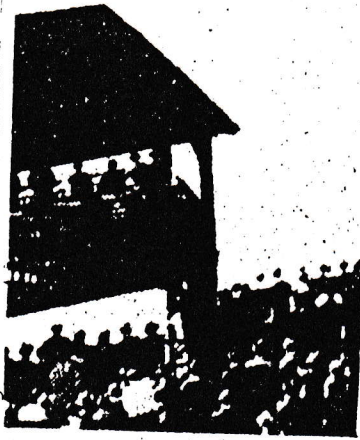

Norristown's Eagles were in second place, but too far back to be dangerous, scoring 33 markers. Ambler was third with 22 and Ridley Park and Conshohocken came next, the first with 14 and the second with 13 points. West Chester ticked off 11 Upper Darby, the defending titleholder, could garner but 9, while Downingtown with 8, Media with 7, Haverford High with 6, Abington, 6, Collingdale, 3, Glen Nor., 2, and Cheltenham, 1, were the other scorers.

Prospect Park Wins Crown

While the Prospect Park squad did not roll up quite as many points as did Lower Merion in winning its Class B championship, the Parkers had a larger lead over their nearest rival. Prospect won the title again with a total of 55 1/2 points. Jenkintown was second with 22 1/2; Springfield from Prospect Park's own Delaware county, and Halboro, each had 20. Upper Moreland with 17, Avon Grove, 16, Sharon Hill, 12, Clifton, 2, were the other teams to break into the scoring.

The curly-haired husky Smith continued his assault on all available records in the shot-put. Every meet finds the Parker football player setting up new standards which he quickly levels the first chance he gets. Today he was in his best form,

gets. Today he was in his best form, tossing the 12-pound iron ball a distance of 54 feet 6 1/2 inches. This bettered by almost two feet the State mark of 52 feet 9 1/2 inches and excelled his own 1935 mark in this same meet by better than three feet.

On Thursday Smith had thrown the shot 54 feet 2 inches for his former best effort.

Smith was also in a record-breaking mood in the discus, setting up a record for the second straight week in this event likewise. His newest effort was for 133 feet 10 1/2 inches, better by far than either the district or the State marks.

The third State record to crumble was in the javelin throw, in which Clifford Knight, star member of the third-place Ambler array, handed Mike Santangelo, Norristown's former recordholder, his first defeat of the year. Santangelo's 177 feet were a full five feet back of the even 182 feet made with the iron-tipped spear by Knight. The State mark was 178 feet 7 1/2 inches.
