## GENERAL INFORMATION

- This District Track Meet is being held under the jurisdiction of the board of Control, P. I. A. A. All contestants must meet P. I. A. A. eligibility rules. Events, conditions, etc., are governed by N. C. A. A. rules.
- Class A schools are those whose total enrollment (boys and girls) in grades 10 to 12, inclusive, on October 1, 1937, was 400 or more; Class B, schools are those with enrollments under 400 in the same grades on the same date.
- No school will be permitted more than three participants in any event with the exception of the relay race. In several instances it will be necessary for certain schools to "scratch" names from the printed program in order to comply with this rule.
- No contestant may participate in more than three events.
- No post entries, changes in entry lists, or substitutions will be allowed.
- There shall be no semi-finals in track events. Trial heats will be necessary in certain events, but in the 440, 880, the mile, and both relays, only finals will be held. If there are too many contestants for one heat in these events, they will be run against time, each main place winner being timed.
- In the 200 yard Low Hurdles for Class A, the first hurdle shall be placed 8 yards from the start and the remaining hurdles at 18 yard intervals. The distance from the last hurdle to the finish shall be 20 yards.
- In the 120 yard Low Hurdles for Class B, five hurdles shall be used. The first hurdle shall be placed 18 yards from the start and the remaining hurdles at 18 yard intervals. The distance from the last hurdle to the finish shall be 20 yards.
- In the 120 yard High Hurdles for Class A, 10 hurdles, 39 inches high, will be used. The first hurdle is 15 yards from the starting line. Each of the hurdles will be 10 yards apart leaving 15 yards between the last hurdle and the finish.
- In the One Mile Relay for Classes A and B, each contestant shall run one quarter of the mile. In the One-half Mile Relay, each contestant shall run 20 yards.
- The weight of the shot used in P. I. A. A. Meets shall be 12 pounds. The discus and javelin shall conform to N. C. A. A. standards.
- Five places will be scored in each event on a 5-4-3-2-1 basis. Gold, silver, and bronze medals will be awarded to the winners of first, second, and third places in each event. Trophies will be presented to the school winning the highest total number of points in each class. Medals and prizes will be distributed to winners from a stand erected at the east end of the field near the finish line.
- The preliminaries will begin at 10:00 A. M., (Daylight Saving Time). Finals will begin at 2:00 P. M. The District Committee desires the Meet to be run off without unnecessary delays. Contestants will therefore report promptly for their respective events.
- To keep the field clear for spectators and to have the Meet run under proper conditions, coaches and athletes not competing in events will keep away from the track during track events and from the field during field events. There will be ample room on the stands for all of these people.
- The price of admission to spectators is 25 cents.
- The State Championship Track and Field Meet will be held at State College on Saturday, May 28, 1938. The classification of schools and the rules for competition are the same as those governing the District Meets. Each of the twelve districts in the State will send two teams, Class A and Class B. Each team will be made up of two representatives (relay teams) in each event. The District Committee in preparing the entry blank for the State Meet, will select contestants (relay teams) that finish first and second in the various events unless notification is given by successful contestants that they cannot participate in the State Meet. In such cases the Committee will select winners of third, fourth, or fifth places in order.
- The order of events is as follows:
