## GENERAL INFORMATION

- This District Track Meet is being held under the jurisdiction of the Board of Control, P.I.A.A. All contestants must meet P.I.A.A. eligibility rules. Events, conditions, etc., are governed by N.C.A.A. rules.
- Class A schools are those whose total enrollment (boys and girls) in grades 9 to 12, inclusive, on October 1, 1948, was 500 or more; Class B schools are those with enrollments under 500 in the same grades on the same date.
- No school will be permitted more than three participants in any event with the exception of the relay race. In the 100-yard dash, the 220-yard dash, and the hurdle events, each school will be limited to two contestants in each event.
- No contestant may participate in more than three events.
- No post entries, changes in entry lists, or substitutions will be allowed.
- There shall be no semi-finals in track events. Trial heats will be necessary in certain events, but in the 440, 880, the mile, and both relays, only finals will be held. If there are too many contestants for one heat in these events, they will be run against time, each main place winner being timed.
- In the 200-yard low hurdles, the first hurdle shall be placed 18 yards from the start and the remaining hurdles at 18-yard intervals. The distance from the last hurdle to the finish shall be 20 yards.
- In the 120-yard high hurdles for Class A, 10 hurdles, 39 inches high, will be used. The first hurdle is 15 yards from the starting line. Each of the hurdles will be 10 yards apart, leaving 15 yards between the last hurdle and the finish.
- In the one-mile relay for Classes A and B, each contestant shall run one-quarter of the mile. In the half-mile relay, each contestant shall run 220 yards. The weights of the shot used in the P.I.A.A. meets shall be 12 pounds. The discus and javelin shall conform to N.C.A.A. standards.
- Five places will be scored in each event on a 5-4-3-2-1 basis. Gold, silver, and bronze medals will be awarded to the winners of first, second, and third places in each event. Trophies will be presented to the school winning the highest total number of points in each class. Medals and prizes will be distributed to winners from a stand erected on the field.
- The preliminaries will begin at 10:00 a.m. (daylight time). Finals will begin at 2:00 p.m. The District Committee desires the meet to be run off without unnecessary delays. Contestants will therefore report promptly for their respective events.
- To keep the field clear of spectators and to have the meet run under proper conditions, athletes not competing in events will keep away from the track during track events and from the field during field events. There will be ample room on the stands for all of these people.
- Coaches must remain in the stands.
- The price of admission to spectators is 50 cents, tax included.
- The State Championship Track and Field Meet will be held at State College on Saturday, May 26, 1951. The classification of schools and the rules for competition are the same as those governing the District Meets. Each of the twelve districts in the State may send two teams, Class A and Class B. Each team will be made up of two representatives in each event. The District Committee, in preparing the entry blank for the State Meet, will select the contestants that finish first and second in the various events unless notification is given by successful contestants that they cannot participate in the State Meet. In such cases the Committee will select winners of third, fourth, or fifth places in order. A relay team will be considered as a "representative" or "contestant."

## GENERAL INFORMATION (continued)

- A drawing for places in track events and for order in field events has been made by the Committee before the meet.
- If an athlete is competing in the trials (100 or 220) he may pass his trials in broad or high jump (if entered) but he must report for these events within three minutes after completion of the sprints and remain at jumping pits.
- Athletics qualifying for the State Championship Meet will report to Mr. Zimmerman their decision concerning the trip. The District will collect \$9.00 from each athlete qualifying for and making the trip to the State Championship Meet at State College; the remainder of the cost will be borne by the District. Mr. Fishburn will act as official representative of the District Committee for the State Meet. No refund will be made for athletes traveling in private cars.
- In field events (shot, javelin, discus) every contestant will be allowed four throws in trials. The ten best performers will be given two more trials. The six best will qualify for the finals.
- The high jump starts at five feet. The bar will be raised by two-inch intervals to six feet; by one inch above six feet. Pole vault to start at nine feet. Bars to be raised by six-inch intervals to eleven feet; by three-inch intervals above eleven feet.
- Second place relay teams will be entered for the State Championship Meet but the District Committee will bear no further responsibility (financial or other) for the transportation, housing or meals.

PIAA Dist. 1 Meet 5/19/1951  
@ Lower Merion HS, Arnold Field

...the 200-yard dash, in which he finished second. In addition the Darby mile relay team will make the trip because of its second place.

**Night "A" Athletes Make It**  
Only eight county athletes qualified for the trip in Class "A." three as champions and one as a co-champion. Chester's only winner was Jimmy Williams in the broad jump. Williams will also compete in the 100-yard low hurdles, in which he finished second. Upper Darby's Bob Schenkel won the javelin championship and Haverford's Bob Schwartz took the 880.

In addition, Haverford's Andy Enively was one of the three who tied for the pole vault title and in the toss of coins for the trip to state he was lucky enough to make the grade.

Chester produced a pair of runners who will make the trip in addition to Williams. Jimmy Lee finished second to Williams in the broad jump and Ernie Towns was second in the discus.

Upper Darby placed Dave Leathem on the state team with a second in the 440 and Haverford got Roger Taylor on the team with a second in the javelin.

Charles Blockson, Norristown's sensational weight man, cracked the only two records which were broken during the afternoon. He tossed the shot 56 feet, 1 inch to break the 15-year-old record of 54 feet, 6 1/6 inches established by Ridley Park's John Smith in 1936. He threw the discus 155 feet, 10 inches to top the mark of 150 feet, 1 1/2 inches set by Lower Merion's Bill Strong in 1940. Both are Class "A" standards.

Two Class "A" records were tied. Coatesville's Al Pollard matched the 9.9 clocking for the 100-yard dash set by Lansdowne's Fred Wetzel in 1938 and tied by Upper Darby's Dick Ambrogli in 1943 and Chester's Benjie Wright in 1948. Cheltenham sophomore Roland Simpson tied the 440-yard run record of 51.4 set by Earl Cassel, Norristown, in 1926.

Pollard scored a double by taking the 220-yard dash in 21.5 seconds, only one-tenth over the record set by Wetzel in 1938.

Chester High's mile relay team, which had been favored to win the Class "A" title, failed to compete. Walt Barrett, the leadoff man, had such a strenuous race in the 880-yard run, in which he finished third, that he was unable to run in the team event just one-half hour later.

# Swarthmore High Captu

## Garnet Beats Ridley Park, Darby; Norristown Takes 'A'; Chester 4th

By FRED WILSON

Swarthmore High's track team repeated its Suburban Class "B" track victory of a week earlier on Saturday by grabbing off the District One Class "G" laurels in the 25th annual championship test at Lower Merion High's Arnold Field in Ardmore.

Swarthmore scored 81 points for its team title with Ridley Park finishing second with 26 and Darby third with 23. Springfield tied for fourth with Morrisville with 19½. It was Swarthmore's fourth team title in the last 11 meets.

Norristown was an easy Class "A" winner, rolling up 46½ points while Lower Merion was second with 30½. Coatesville third with 27½, and Chester fourth with 23. The win gave Norristown its ninth team title in the last 15 meets.

Delaware County athletes took down a total of 10 individual championships in the two classes and shared in another in addition to producing one of the four relay champions. A total of 29 Delco athletes qualified for the PIAA championships at State College next weekend by finishing either first or second in the individual events or relays in each class.

Fred Campbell, Swarthmore weight man, was the only double Delco winner. Fred took the Class "B" shot put, tossing the iron ball just one-eighth inch under 50 feet, and the discus. In addition he was second in the javelin throw to qualify in three events in the state meet and wind up as high scorer for the afternoon in both classes with 14 points.

Swarthmore also got a Yet of gold medals for a first place in the 880-yard relay with a victory for its team of Carroll Adams, Steve Snyder, Tom Slimkin, and Lynn Doherty.

Springfield had individual champions in javelin thrower Dick Lewis and pole vaulter George Hoffman. In addition, Bud Aikman tied with Darby's Bobby Guy for the high jump title. Darby had another champion in half-miler John Maloney. The other Class "B" champion from the county was Ridley Park's Perry Burdon, who took down the laurels in the 200-yard low hurdles.

Other countians who qualified for the trip to State College in Class "B" by taking second places were Prospect Park's Harry Manning in the 100, Ridley Park's Phil Sapovits in the shot, Dave Wilgus in the 880, Harry Baker in the discus, and Burdon again in the broad jump; Darby's Joe Tyler in the hurdles and Ed Murray in the 440, and Swarthmore's Dick McCormick in the pole vault. In addition the Darby mile relay team will make the trip because of its second place
