GENERAL INFORMATION

1. This District Track and Field Championship Meet is being held under the jurisdiction of the Board of Control, P.I.A.A. All contestants must meet P.I.A.A. eligibility rules. Events, conditions, etc., are governed by National Federation of High Schools' rules.
2. Class A schools are those whose total enrollments (boys and girls) in grades 9 to 12, inclusive, on October 1, 1955, were 500 or more; Class B schools are those with enrollments under 500 in the same grades on the same date.
3. Two participants per school is the maximum permitted in all events.
4. No contestant may participate in more than three events.
5. No post entries, changes in entry lists, or substitutions are allowed.
6. There will be no semi-finals in either track or field events. Trial heats will only finals will be held. If there are too many contestants for one heat in these events, they will be run against time, each main place winner being timed. The first five place winners will be determined by their time performances.
7. In the 180-yard low hurdles, the first hurdle shall be placed 20 yards from the start and the remaining hurdles at 20-yard intervals. The distance from the last hurdle to the finish shall be 20 yards.
8. In the 120-yard high hurdles event for Class A, 10 hurdles, 39 inches high, will be used. The first hurdle is 15 yards from the starting line. Each of the hurdles will be 10 yards apart, leaving 15 yards between the last hurdle and the finish line.
9. In all finals of running events, the times of *both* first and second places shall be taken and recorded.
10. In the one-mile relays for Classes A and B, each contestant shall run one-quarter of the mile. In the half-mile relay, each contestant shall run 220 yards.
11. The weights of the shot used in P.I.A.A. meets shall be 12 pounds. The discus and javelin shall conform to N.C.A.A. standards. Shot and Disci used in this meet are those belonging to the District Committee. Javelins must be weighed in and inspected before the event by the officials in charge.
12. Five places will be scored in each event on a 5-4-3-2-1 basis. Gold, silver and bronze medals will be awarded to the winners of first, second and third places in each event. Trophies will be presented to the school winning the highest total number of points in each class. Medals and trophies will be distributed to winners from a stand erected on the field.
13. The preliminaries will begin at 10:00 a.m. (daylight time). Track finals will begin at 2:00 p.m. The District Committee desires the meet to be run off without unnecessary delays. Contestants will therefore report promptly for their respective events.
14. To keep the field clear of spectators and to have the meet run under proper conditions, athletes not competing in events will keep away from the track during track events and from field during field events. There will be room in the stands for these people.
15. Coaches must remain in the stands. **THIS RULE WILL BE ENFORCED!**
16. The price of admission to spectators is 75 cents, including a copy of this program.

GENERAL INFORMATION (Continued)

17. The State Championship Track and Field Meet will be held at Pennsylvania State University on Saturday, May 26, 1956. The classification of schools and the rules for competition are the same as those governing the District Meets. Each of the twelve districts in the State may send two teams, Class A and Class B. This year the two districts in the state having the largest number of schools taking part in the District Meets in both Class A and Class B will be permitted to have the first three winners in each event take part in the State Meet. District One will be permitted three entries in the State Meet in each event of Class A, two entries from Class B. District Seven will be permitted three entries in the State Meet in both Classes A and B and District Three will be permitted three entries in Class B. This provision holds for this year only.

The District Committee, in preparing the entry blank for the State Meet, will select the contestants who, in Class A, finish first, second and third in the various events unless notification is given by the successful contestants that they will not participate in the State Meet. In such cases, the Committee will select winners of fourth and fifth places in order. A relay team will be considered as a "representative" or "contestant." The same is true of Class B winners, except that only first and second place winners will be selected. Should any of these not go to the State Meet, winners of third, fourth and fifth places will be selected in order.

18. A drawing for places in track events and for order in field events was made by the Track and District Committees before the Meet.

19. If an athlete is competing in the trials (100, 220, both hurdles) he may pass his trials in broad or high jump (if entered) but he must report for these events within three minutes after completion of the trials and remain at jumping pits.

20. Athletes qualifying for the State Championship Meet must be reported by their coaches to Mr. Lewis concerning their decision to take part in the State Meet, *immediately after the event*. The District will collect \$10.00 from each athlete qualifying for and making the trip to the State Championship Meet at the State University; the remainder of the cost will be borne by the District Committee. Mr. Lewis will be in charge of the District One teams on the trip and at the Meet. Mr. Fishburn will act as financial representative of the District Committee for the State Meet. No refund will be made for athletes traveling in private cars.

21. In field events (shot, discus, javelin, running broad jump) every contestant will be allowed four trials. The six best will qualify for the finals, with three trials each.

22. Coaches and winners in the shot put, discus throw, high jump, broad jump, will note that at the State Championship Meet the surfaces will be *hard surfaced*. No spikes will be permitted on the shot and discus circles. Rubber-soled shoes must be used in these events.

23. The high jump will start at five feet. The bar will be raised by two-inch intervals to six feet; by one-inch intervals above six feet. Three misses at each height will disqualify. The pole vault will start at nine feet. The bar will be raised by six-inch intervals to ten feet; by three-inch intervals to eleven feet; by two-inch intervals above eleven feet. Three misses at each height will disqualify.

24. Third place relay teams in Class A and second place relay teams in Class B will be entered for the State Championship Meet, but the District Committee will bear no further responsibility (financial or other) for the transportation, housing or meals.

25. Starting blocks may be used when available.
