GENERAL INFORMATION

1. This District Track and Field Championship Meet is being conducted by the District Committee under the jurisdiction of the Board of Control, P.I.A.A. Contestants must meet P.I.A.A. eligibility rules. Events, conditions, etc., are governed by the National Federation of High Schools' rules.
2. Class A schools are those whose total enrollments (boys and girls) in grades 9 to 12, inclusive, on October 1, 1957, were 500 or more; Class B schools are those with enrollments under 500 in the same grades on the same date.
3. Two participants per school is the maximum permitted in all events.
4. No contestant may participate in more than three events.
5. No post entries, changes in entry lists, or substitutions are allowed.
6. There will be no semi-finals in either track or field events. Trial heats will be necessary in certain events, but in the 440, 880, the mile and both relays, only finals will be run. There will be no many contestants for one heat in these events, two or more heats will be run against time, each main place winner being timed. The first five place winners will be determined by their time performances.
7. In the 180-yard low hurdles, the first hurdle shall be placed 20 yards from the start and the remaining shall be 20-yard intervals. The distance from the last hurdle to the finish shall be 20 yards.
8. In the 120-yard high hurdles event for Class A, 10 hurdles, 39 inches high, will be used. The first hurdle is 15 yards from the starting line. Each of the hurdles will be 10 yards apart, leaving 15 yards between the last hurdle and the finish line.
9. In all finals of running events, the times of both first and second places shall be taken and recorded.
10. In the one-mile relays for Classes A and B, each contestant shall run one-quarter of the mile. In the half-mile relay, each contestant shall run 220 yards.
11. The weights of the shot used in P.I.A.A. meets shall be 12 pounds. The discus and javelin shall conform to N.C.A.A. standards. Shot and disci used in this meet are those belonging to the District Committee. Javelins must be weighed in and inspected before the event by the officials in charge.
12. At Yorkristown, hard surfaces are used for the high jump, pole vault and broad jump. Rubber-soled shoes and rubber-soled shoes with pin spikes will be permitted—no others!
13. Five places will be scored in each event on a 5-4-3-2-1 basis. Gold, silver and bronze medals will be awarded to the winners of first, second and third places in each event. Trophies will be presented to the school winning the most total number of points in each class. Medals and trophies will be distributed to winners from a stand erected on the field.
14. The preliminaries will begin at 10:00 A.M. (Daylight Time). Track finals will begin at 2:00 P.M. (Daylight Time). The District Committee desires the meet to be run off without unnecessary delays. Contestants will therefore report promptly for their respective events.
15. To keep the field clear of spectators and to have the meet run under proper conditions, athletes not competing in events will keep away from the track during track events and from field during field events. There will be room in the stands for these people.
16. Coaches must remain in the stands. This rule will be enforced!
17. The price of admission to spectators is 75 cents, including a copy of this program.

GENERAL INFORMATION (Continued)

18. The State Championship Track and Field Meet will be held at Pennsylvania State University on Saturday, May 23, 1958. The classification of schools and the rules for competition are the same as those governing the District Meets. Each of the twelve districts in the Commonwealth may send two teams, Class A and Class B. Each team will be made up of two representatives in each event. In preparing the entry blank for the State Meet, the District Committee will list the events in which the school has successful athletes in the various events unless notification is given by successful contestants that they cannot participate in the State Meet. In such cases the Committee will select winners of third, fourth and fifth places in order. A relay team will be considered as a "representative" or "contestant." This procedure will be followed in making up both the Class A and Class B District teams.
19. A drawing for places in track events and for order in field events was made before the Meet.
20. If an athlete is competing in the trials (100, 220, both hurdle races), he may pass the trials in broad or high jump (if entered) before the last report of times is given, three minutes after completion of the trials and remain at jumping pits.
21. Athletes qualifying for the State Championship Meet must be reported by their coaches to Mr. Lewis concerning their decision to take part in the State Meet. They must be reported to the State Championship Meet at 48:00. Athletes qualify for and asking the trip to the State Championship Meet at the State University; the remainder of the cost will be borne by the District Committee. Mr. Lewis will be in charge of the District One teams on the trip and at the Meet. Mr. Fishburn will act as financial representative of the District Committee for the State Meet. No refund will be made for athletes traveling in private cars. Permission for such travel must be obtained from Mr. Lewis, for athletes to be permitted to represent District One at the State Meet.
22. In the field events (shot, discus, javelin, running broad jump), every contestant will be allowed four trials. The six best will qualify for the finals with three trials each. Unless weather conditions warrant judges making changes, no discus throws of less than 120 feet or javelin throws of less than 100 feet will be flagged or measured.
23. Coaches and winners in the shot put, discus throw, high jump, broad jump, will note that at the State Championship Meet the surfaces will be hard surfaced. No spikes will be permitted on the shot and discus circles. Rubber-soled shoes must be used in these events.
24. The high jump will start at five feet two inches. The bar will be raised by two-inch intervals to five feet eight inches; by one-inch intervals above five feet eight inches. Three misses at each height will disqualify. The pole vault will start at ten feet. The bar will be raised by one-foot intervals above ten feet by three-inch intervals to eleven feet; by two-inch intervals above eleven feet. Three misses at each height will disqualify.
25. Both first and second place relay teams in Class A and Class B will be taken to the State Meet by the District. Both first and second place relay teams, in Class A and Class B, will receive the same financial support from the District as any first and second place winners in other events.
26. Claims for national records in sprint events and hurdles events will be accepted only when information about wind velocities can be furnished. A wind gauge will be used in these events in District meets. A wind velocity of less than 4.473 miles per hour favoring the runner is required for an application to receive favorable consideration.
27. In the event of ties in the jumping events, points will be divided. However, medal distribution and the contestants to go to the State Championship Meet, will be determined by the fewest misses. If two or more contestants have the same number of misses, the tie must be jumped off.

Norristown Wins Class A PIAA Title

Hart Leads Morrisville to B Crown

1960 Dist 1

Morrisville shotputter Dick Hart (left) strains in launching 60 ft., 10 1/4 in. throw to set State record at PIAA District One meet at Norristown. Bruce McFarland (right), Pennsbury coach, is given ride by his half-mile relay team, which set State record of 1:30.4. Left to right are Gary Wilkins, Al Matusa, Bob Manns and Rusty Brown. Hart beat mark of 57-7 1/2 made by his brother, Bob, in 1958.

Kennett Consolidated's Don Webster ran the 440 in 0:48.0 and Morrisville High's Dick Hart heaved the shot 60 feet, 10 1/4 inches as both boys bettered State records in Saturday's 36th annual District One PIAA track and field meet at Norristown's Roosevelt Field.

Hart's toss bettered the State record of 57-7 1/2 set by his brother, Bob, in 1957, and, along with Don's victory in the discs, led Morrisville to the Class B team title.

Webster's record run and his win in the 220 were not enough to put Kennett Consolidated in the Class A team race as Norristown won out with 29 1/2 points to second place Haverford's 20.

Pennsbury's 880 relay team of Gary Wilkins, Albert Matusa, Robert Manns and Rusty Brown clipped four-tenths of a second from the State record of 1:30.8, but the school finished in a fifth place tie with Kennett Consolidated and Lansdowne-Aldan.

Phoenixville's Bill Thornton ran the Class A 100-yard dash in 0:09.9 to tie the district record held by six others.

FIRST SINCE 1957

Norristown, which claimed its first team victory since 1951, was paced by Clyde Davenport's 22-1 3/4 winning leap in the broad jump and Jim Zaffarano's win in the discus with a heave of 158-11 1/4. The Eagles also picked up two second places, by Lawrence Livers in the 120 low hurdles and Zaffarano in the shot.

Terry Clark won the Class B pole vault, and along with Hart's two wins, helped Morrisville to a close team victory over Darby Boro, 45 1/2 to 43. Morrisville was a repeat winner from 1959 when it won its first title.

Donald White, who was the only entrant from little Avon Grove High School, captured the 100 and 220 in good clockings of 0:10.5 and 0:23.2.

In Class A, Richard Hearn, of Lower Merion, scored a double when he captured both the high and low hurdles. Hearn scored a narrow victory over Lansdowne-Aldan's Matt Hart in the lows with a 0:20.1 timing and bested Norristown's Livers in 0:14.8 in the highs.

DOUBLE WINNER

Douglas Baergen, Octorara High School, took home two gold medals in Class B when he won the 880 in 2:17.6 and the mile in 4:39.6.

Rusty Brown anchored Pennsbury's 880 and mile teams to victory in those Class A events, and Ben Eckenhoff won the Class B 440 and ran third-leg on the victorious Swarthmore 880 relay team.

Class A defending champion Lower Merion, which won in '57, '58 and '59, finished fourth in the

Mt. Holly Wins 1st Track Title
