## INFORMATION

### A. General

- This District Track and Field Championship Meet is being conducted by the District Committee under the jurisdiction of the Board of Control, P.I.A.A. All contestants must meet P.I.A.A. eligibility rules. Events, conditions, etc., are governed by the National Federation of High Schools' rules.
- Class A schools are those whose total enrollments (boys and girls) in grades 10 to 12, inclusive, on October 31, 1964, were 500 or more; Class B schools are those with enrollments under 500 in the same grades on the same date.
- Participants in the District Meet must meet published minimum qualifying standards. Coaches are responsible for entering in events only those boys who have met or, in the reasoned judgment of the coach, will, on the day of the District Meet, be able to meet these standards. Failure to meet or adhere to these standards will result in warnings being sent to offending schools which, if not heeded, could result in disbarment from future meets.
- Should any boy whose name is not on the school entry list nor in the program compete in any event; should any boy not named on the school entry list nor in the program, use the name or number of a contestant whose name is in the program and on the school entry list, and complete in an event:
  - all points scored in the meet by the school from which the boy who is in violation comes, shall be cancelled;
  - all medals won in the meet by the school from which the boy who is in violation comes, shall be forfeited;
  - all entries from the school from which the boy who is in violation comes, for the State Meet, shall be disbarred;
  - the school from which the boy who is in violation comes, shall be disbarred from the District Meet the following year.
- Two participants per school is the maximum permitted in all events except the relays.
- No contestant may participate in more than three events, exclusive of the two-mile run. Participants in the two-mile run may not compete in any other event.
- No post entries, changes in entry lists, or substitutions are allowed.
- Five places will be scored in each event on a 6-4-3-2-1 basis. Gold, silver, and bronze medals will be awarded to the winners of first, second, third, fourth and fifth places in each event. Trophies will be awarded to the school winning the highest total number of points in each class. Medals and trophies will be distributed to the winners from a stand erected on the field.
- To keep the field clear of spectators and to have the meet run under proper conditions, athletes not competing in events will keep away from the track during track events and from the field during field events. There will be room in the stands and rest quarters for these people.
- Coaches MUST remain in the stands.
- The price of admission to spectators is \$1.00, including a copy of this program.
- Seating for track events and the order of competition in field events were done before the meet.
- The State Championship Track and Field Meet will be held at Pennsylvania State University on Saturday, May 28, 1966. The classification of schools and the rules for competition are the same as those governing the District Meets. Each of the twelve districts in the Commonwealth may send two teams, Class A and Class B. Each team will be made up of two representatives in each event. In preparing the entry blank for the State Meet, the District Committee will select the contestants that finish first and second in the various events unless notification is given by successful contestants that they cannot participate in the State Meet. In such cases the District Committee will select winners of third, fourth and fifth places in order. A relay team will be considered as a "representative" or "contestant." This procedure will be followed in making up both the Class A and Class B District teams.
- Athletes qualifying for the State Meet must be reported by their coaches to Mr. Lewis, Chairman of the Track Committee, and the Chief Scorer, concern-

ing their decision to take part in the State Meet, IMMEDIATELY after the event. The costs of contestants to the State Meet will be borne by the District Committee. Mr. Lewis will be in charge of the District One teams on the trip and at the Meet. Contestants may not travel to or from the State Meet in private cars without having obtained permission from Mr. Lewis. Such permission is required for athletes to be permitted to represent District One in the State Meet.

15. If an athlete is competing in the trials (100, 220, both hurdle races) he may pass his trials in field events (if entered) but he must report for these events within three minutes after completion of the trials and remain at the site of the field event(s).

16. In all competition, both track and field, jerseys must be worn inside trunks.

### B. Track Events

1. Minimum qualifying standards for track events:

Event	Class A	Class B
120-Yard High Hurdles	16.0	17.5
180-Yard Low Hurdles	21.5 (str.)	22.8
180-Yard Low Hurdles	21.8 (curve)	23.1
100-Yard Dash	10.5	10.7
220-Yard Dash	23.0 (str.)	24.0
220-Yard Dash	23.5 (curve)	24.4
440-Yard Dash	52.5	55.0
880-Yard Run	2:05.0	2:12.0
One-Mile Run	4:45.0	4:58.0
Two-Mile Run	10:40.0	11:30.0
880-Yard Relay	1:34.0	1:39.0
One-Mile Relay	3:33.0	3:45.0
Two-Mile Relay	8:40.0	9:15.0

2. The preliminaries will begin at 9:30 A.M. (Daylight Time). Track finals will begin at 1:30 P.M. (Daylight Time). The District Committee desires the meet to be run off without unnecessary delays. Contestants will therefore report promptly for their respective events.

3. There will be no semi-finals in either track or field events. Trial heats will be necessary in some events, but in the 440, 880, the mile, the two mile, and all three relays, only finals will be held. If there are too many contestants for one heat in these events, two or more heats, or sections, will be run against time, each main place winner being timed. The first five place winners will be determined by their time performance.

4. In the 180-Yard Low Hurdles, the first hurdle shall be placed 20 yards from the start and the remaining hurdles at 20-yard intervals. The distance from the last hurdle to the finish shall be 20 yards.

5. In the 120-Yard High Hurdles, 10 hurdles, 39 inches high, will be used. The first hurdle is 15 yards from the starting line. Each of the hurdles will be 10 yards apart, leaving 15 yards between the last hurdle and the finish line.

6. In all finals of running events, the time of both first and second places shall be taken and recorded.

7. In the 880-Yard Relays for Classes A and B, each contestant shall run 220 yards. In the One-Mile Relays for Classes A and B, each contestant shall run one quarter of the mile. In the Two-Mile Relay for Classes A and B, each contestant shall run one-half of a mile.

8. Both first and second place relay teams in Class A and Class B will be taken to the State Meet by the District. Both first and second place relay teams, in Class A and Class B, will receive the same financial support from the District as any first and second place winners in other events.

9. Claims for National and District records in sprint events and hurdles events, will be accepted only when information about wind velocities can be furnished. A wind gauge will be used in these events in District Meets. A wind velocity of less than 4.473 miles per hour favoring the runner is required for an application to receive favorable consideration.

With the new qualifying standards and fewer participants than before, the time schedule must be an estimate. The prompt, efficient, cooperation of all boys and officials may be especially required in running events. On the other hand, it is possible that the meet may run faster than the time schedule calls for. If such is the case, no delays will be set up merely to adhere to the schedule. Each event will be run as soon as the preceding one is finished, exclusive of the break between Events 22 and the finals of Event No. 1.

## INFORMATION (Continued)

### C. Field Events

1. Minimum qualifying standards for field events:

Event	Class A	Class B
Pole Vault	11'6"	10'0"
High Jump	5'9"	5'6"
Long Jump	19'3"	18'0"
Triple Jump	40'0"	36'6"
Shot Put	48'0"	41'0"
Discus Throw	130'0"	115'0"
Javelin Throw	160'0"	140'0"

2. In the field events, no entries are permitted after the first round.

3. In all field events, a contestant shall be charged with an unsuccessful attempt if he does not complete his trial or indicate his passing it, within TWO MINUTES after he has been called for a trial.

4. In the field events (shot put, discus throw, javelin throw, long jump and triple jump), every contestant will be allowed four trials. The six best will qualify for the finals with three trials each.

5. For District and State Championship Meets, in the event of ties, points and places will be decided according to Section 2, Rule 5, of the National Alliance Edition of Track and Field Rules.

6. The weights of the shot used in P.I.A.A. meets shall be 12 pounds. The discus and javelin shall conform to N.C.A.A. standards. Shot and disci used in this meet are those belonging to the District Committee. Javelins must be weighed in and inspected before the event by the officials in charge of implement inspection.

7. At Norristown, hard surfaces are used for jumping events, shot and disci throws, pole vault, triple and long jumps. Rubber-soled shoes and rubber-soled shoes with pin spikes will be permitted—no others!

8. Coaches and winners in the shot put, discus throw, high jump, long jump, triple jump, pole vault, will note that at the State Championship Meet the surfaces will be hard surfaced. No spikes will be permitted on the shot and discus circles. Rubber-soled shoes must be worn in these events.

9. The high jump starts at five feet six inches for Class B and five feet nine inches for Class A. The bar will be raised by two-inch intervals to six feet; by one-inch intervals above six feet. Three misses at any one height will disqualify a contestant.

10. The Class B pole vault will start at ten feet. The bar will be raised by six-inch intervals to eleven feet; by four-inch intervals above eleven feet; by two-inch intervals above twelve feet. A total of three misses at any one height will disqualify a contestant.

11. The Class A pole vault will start at eleven feet six inches. The bar will be raised by three-inch intervals to twelve feet; by two-inch intervals above twelve feet. A total of three misses at any one height will disqualify a contestant.

12. If weather conditions or district performances prior to the District Meet require it, changes in starting and interval heights will be decided upon at the beginning of the meet.
