

Raiders, Demons take 2nd place honors

atesville their combined abilities helped gain 32 points for the Eagles. Don Livers took a first in the 100 with a time of 10 seconds flat, and then ran important legs for the winning 880 and mile relay teams. A twin brother Ron won both the high and triple jumps, setting a new meet record in each and also a two-day record in the 120-yard dash. The Raiders' 120-yard high hurdles was striking. A real surprise for the Eagles was the performance of sophomore high jumper Greg Bates. Bates, who had never done over 5-10 until the Surburban One championships a week earlier, Fosbustled 5-7 1/2 Saturday and his efforts provided an inspirational lift to his teammates. "He has no idea of the potential he has," said jubilant Shoudt. "He could be another Ron Livers."

Holmes Wins Two
But, the Red Raiders also had a few big winners of their own.

George Holmes, who had won both the 220 and 120-yard high hurdles in the Ches Mont championships, won both events in the Districts as he set a new meet record in the 220 with a time of 21.9, three-tenths of a second better than the previous record. He was also the only 1972 Class A champion to repeat.
Dave Lapp, Coatesville's fine middle distance runner, won the 880 in 1:56.6 as he edged out Owen J. Roberts' Mark Ziegler who grabbed off second place in 1:57.1.
Gerald McGibboney and Mike Tucker each took a second and third for the Raiders with McGibboney taking his second in the 330-yard intermediate hurdles and his third in the 120-yard high s. Tucker was second in the triple jump with his leap of 46-4 1/2 being 3 inches over the old meet record. However, this was over-

shadowed by Ron Livers' 49-10 1/4 jump which went for the new meet record. Tucker's third place came in the long jump.
Proctor Wins Long Jump
Other area trackmen to place in the top 3 in District One, which enables them to advance to next week's PIAA state meet at Penn State, were Downingtown's Vic Proctor who won the long jump with a 22-10 1/2 effort, only 3 inches under the meet record, and Coatesville's William Dvonch, who took second in the 2 mile with 9:43.3 clocking.
The only area weightman to go to the state meet will be Red Raider Larry Rudolph who took third in the discus with a 145-7 toss.
In relay races, it was again Norristown who dominated as the Eagles won both the 880 and mile relays. Coatesville managed a second and third in these races respectively, but it was Central

Bucks West and Coatesville who came in 1-2 in the 2-mile relay as Coatesville could do no better than fifth and Norristown didn't place.
In Class B competition, which was won by Upper Perkiomen's 58 with Kennett taking a distant second with 55 1/2 points, the only area double winners were Avon Grove's Jim Wooding and Kennett's Eric Romilly.
Wooding, the 6-4 star of Avon Grove's 1973 championship basketball team, won the 100 in 10.2 and then used his long stride to come from behind to win the 440 high jump with a 6-4 effort.
Romilly started the day by placing second to Wooding in the 100. He then proceeded to take 2 firsts in the field events, winning both the long and triple jumps. His triple jump of 45-3 set a new meet record as he broke the exist-

ing mark of 44-8 1/2, which was set by Bristol's Gene White in 1969. "I beat him in our league meet," said Romilly referring to his second place finish to Southern Chester County League opponent Wooding, "but he is a competitor. With 2 wins, I am very happy."
Oxford's Monty Watson made the 100 a real SCCL race as he took third. The race was very close and, at the finish, the first three were all clogged in the identical time of 10.2 Watson also took a second in the 220 with a 22.9. Other Class B point-scorers from the Southern Chester County area were Kennett's Jim Smith who won the 880 in 2:00.9 and Oxford's Mike Wilson who took second in the pole vault as he soared over the crossbar at the 12 foot mark.
In relay races, Kennett's 2-mile relay team of Kevin Boyer,

Bob Jackson, Ron Goodwin and Smith placed first, setting a new meet record of 8:12 in the process.
Kennett's mile relay team took

a third and Oxford's 880 team also managed a third.
The next step for the first three finishers in each race is this Saturday's state meet at Penn State.
