**FIFTIETH ANNUAL DISTRICT ONE TRACK AND FIELD MEET**

On this occasion of the fiftieth anniversary of District One track competition, it is appropriate that the members of the District One Committee take this opportunity to commend those most responsible for the development and success of District One Track.

To the District One Track Steering Committee for their un-failing dedication, for their laborious efforts with their unstinting sacrifice of time, for their implanting of knowledge and direction to the annual district meets; to Tom Farr, Gene Kauler, Pete Lewis, Richard Ream, Dr. Robert B. Taylor, Harold I. Zimmerman, and others, for their guidance, interest and eagerness to supply the leadership that has been essential and vital to the Committees' success, the District One Committee says, "Thank you!" The District Committee also wishes to acknowledge its gratitude to the principals of the member schools for their expressed support and cooperation with the District Committee in its efforts to foster the Annual District Track Meet.

The fruit and the efforts of the aforementioned group has been evident in the splendid results of District One track athletes at the annual State Track Meet. A special thank-you is expressed to the District One coaches, whose pride is reflected by the many athletes who brought honors and state recognition to District One member schools.

The 1974 meet is extra special. It is the fiftieth consecutive District One Championship Meet. These past fifty years have seen thousands of superb performances, epic competition and great sportsmanship.

To the thousands of contestants, the coaches, the officials, and school administrators, the District Committee expresses its very deep thanks and appreciation for these fifty years of outstanding track competition and performances.

We can wish no more than that the next fifty years will measure up to the past fifty years.

THE DISTRICT COMMITTEE OF DISTRICT ONE, P.I.A.A.
