Oxford pair qualifies for PIAA track finals

CALN — Roommates at States!
If you ask Oxford's Kim Vaughn and Mandi Steffy what their plans are for Memorial Day Weekend, "ommates at States" will be a reply.

Steffy earned her trip to next weekend's PIAA Championships by capturing the gold medal in discus at Friday's opening round of the District 1 Class AA Girls' Track and Field Championships at Coatesville Area Multi-Purpose Stadium. The Hornet junior placed first with a toss of 98-5.

"This distance today is good from what I've been throwing the last few meets," said Steffy.

"My season's best is 99-4 which I got in a dual meet against Unionville. But for today, I'm happy with a 98-5. It suits me just fine.

"I started with an 82-6 on my first throw in the trials and then got 87-3. I got the 98-5 on the third throw in the trials.

"In the finals, I threw 80-5 and 95-6. Then, on my last throw I got

76-7. I was too excited by then because I already knew I had first place."

Vaughn earned her "Trip to Ship" (the state meet is held each year at Shippensburg University's Seth Grove Stadium) by winning the gold medal in the shot put at 35-0. She was also sixth in discus with 91-11.

"I won, but I wasn't really happy with my shot put," said Vaughn, a junior. "I injured myself yesterday (Thursday) in practice. I got hit in the leg with a shot put."

"Now, I have a big bruise on my right calf. It hurt when I was throwing. Plus, I was nervous because I didn't know how good the other girls in the meet could throw."

"My first marks weren't what I wanted, but I still got into the finals. Last year, I was second in shot put here with a 32-3."

This year, it was Octorara's Allison Hess who was runnerup in shot put — and runnerup in discus. The Brave sophomore got the silver medal in discus with a heave of 98-3 and in shot put with a throw of 31-0 1/2.

"It's frustrating that I didn't qualify for states, especially in discus," said Hess. "I missed first place by only two inches."

"My personal best is 105-5. I don't really know what was wrong today. It was a little slippery when we were throwing this morning. "Shot put was definitely better than disc. I had a lot of energy. I was a little mad about discus, so I had a lot more oomph."

Girls from local schools dominated the medals in both events. St. Pius X's Lauri Blain was third in both shot and discus and her Winged Lion teammate Chrissy Todd was fourth in shot put. Additionally, Oxford's Amy Miller placed fifth in discus.

In Class AA long jump, Villa Maria Academy's Kaitlyn Egan won the silver medal with a leap of 15-7 1/2, while her Hurricane teammate Amanda Carson was sixth at 13-10 1/2.

"Getting second place was alright, but my distance wasn't very good," said Egan, a freshman. "I was a foot behind the board on all my jumps. Still, I was seeded

second and that's what I got."

In Class AAA competition, West Chester East's Bernadette Speer came through with a gold-medal performance in high jump. She placed first with a leap of 5-3.

"I was upset with high jump because it wasn't really a good height," said Speer, a sophomore. "I'm surprised I won districts with a 5-3. I thought it would take a lot more to win."

"The conditions were terrible when we jumped this morning. There was no sun and it was really freezing. It was hard to get warmed up."

Speer's Viking teammate Lauren Banyar, who tied for fifth at 5-1, said, "It was awful this morning — so cold and nasty and wet. There wasn't even anywhere we could sit and stretch."

Also on Class AAA high jump, Downingtown's Joanna Krablin was third at 5-1 and Spring-Ford's Jen Aylward was fourth at the same height.

In Class AAA javelin, East's U.S. Naval Academy-bound Sue Smith won the silver medal in javelin

with a throw of 116-0, while Owen J. Roberts' Tiffany Fitzcharles was seventh in the same event at 99-11.

Ottaviano wins the boys' javelin gold medal

By DENNY DYROFF

CALN — It's not uncommon for high school students to want to end their summer vacation with a "blowout" of one sort or another — maybe a weekend at the shore or a camping trip to the mountains.

St. Pius X's Jamie Ottaviano had his "blowout" in August — and it was a totally unwanted event.

"I blew my knee out at the end of August," said Ottaviano, a senior who is heading to a year of post-graduate study at Hifl School next year. "It happened at football practice, when I came down on it the wrong way."

"I tore my anterior cruciate ligament and my medial collateral ligament and did a lot of cartilage damage. But, the doctors said that the knee probably was already damaged before that happened."

This time a year ago, Ottaviano made the trip to Coatesville for the

District 1 Class AA Boys' Track and Field Championships and returned home with the javelin gold medal. He also was one of the Winged Lions' top sprinter.

Had last summer's injury not occurred, Ottaviano surely would have been the favorite to repeat as district titlist in the Class AA javelin. Instead, he arrived for this year's district meet as a big question mark.

Ottaviano erased the question mark and replaced it with an exclamation point. The Pius X senior successfully defended his crown with a winning throw of 164-0.

"After blowing my knee out last fall, getting a 164-0 now is pretty good," said Ottaviano. "I was district champ last year at 166-10. I was only two feet off that today — with a bad leg."

"It's been a frustrating year. I had to have total reconstruction of my knee. After surgery, the doctors told me no football or basketball

and maybe no track.

"I busted my butt with rehab and it paid off. I went to rehab every day for two hours a day — doing everything I could to get my leg strong again. It was a real hard time. People didn't expect me to come back the way I did."

"The past four or five days it's been giving me a lot of trouble. I didn't practice because of the pain. I didn't let it bother me today. I let adrenalin and enthusiasm take over."

All six medals in Class AA javelin were from local schools.

Garnet Valley's Jeremy Hancher was runnerup at 160-5, followed by Pius Barry Flicker (158-8), Garnet Valley's Jack Stephani (157-3), Oxford's James Greenwood (154-10) and Garnet Valley's Matt Powell (146-10).

Local athletes also swept the top spots in Class AA pole vault with Garnet Valley's Stephani nabbing the gold medal with a heave of 11-

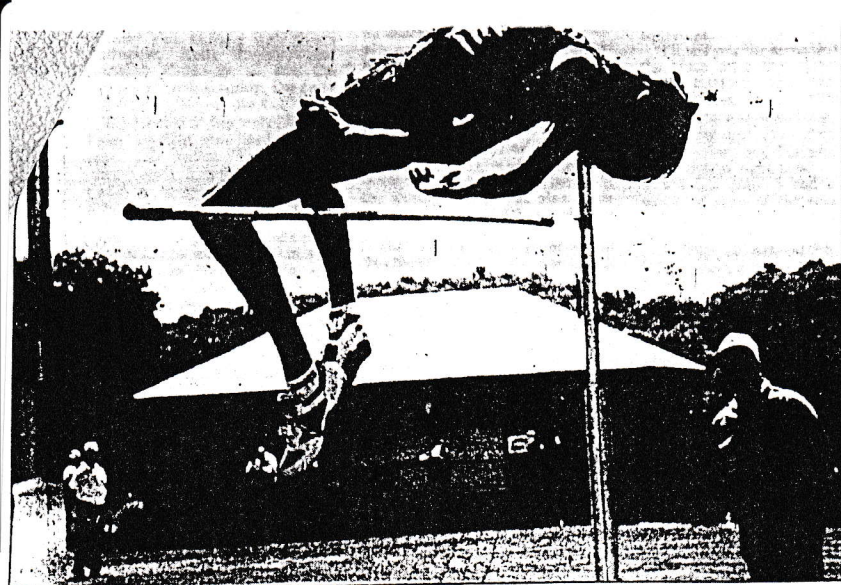

6. Octorara's Joel McDermott was second at 11-0 and Oxford's Richard Ormer was third at the same height. Pius X took the next two spots with Darryl Zinn fourth at 10-6 and Kurt Unruh fifth at 10-0.

McDermott, a Brave junior, said, "It felt really good today. I got over 11-0 well, but I was hitting it as I went over."

Ormer, a Hornet junior, said, "I'm still not working to potential, but I was jumping 8-0 last year, so I can't complain. This year, my first jump was 10-0 and, by the end of the season, I was up to 11-6."

win by six one-hundredths of a second.

"We went out real fast and (Powers) took off at the end of the first lap," said Lutz. "He died at the end and I just outkicked him."

Powers, who still qualified for states, admitted a faulty race strategy.

"I ran the first quarter too fast," said Powers. "I thought if I took off down the (final backstretch) they'd die and when it came to the final straightaways, nobody would be there. I guess I turned out to be the rabbit that everybody chased."

Powers plans to make Saturday's race a lesson well-learned.

"This will make me think more," said Powers. "I will run a much better race at states. Since I was the (district) champion this is still disappointing."

West Chester Henderson senior Brock Butler continued to make up for lost time in his only year of outdoor track competition, by winning the district title in the 1,600 with a time of 4:18.4.

Butler pulled away from the pack for good during the third lap. "I planned to go out on the third lap," said Butler. "I figured I had the speed to go. With ideal conditions I thought I could run 4:15. I was just worried about settling in with the pack."

Butler's teammate will be joined at states by teammate Bill Bartsch (fifth place, 4:22.6) and West Chester East's Diamond Cromer (sixth place, 4:25.9), both of whom qualified by placing in the top six and running under the minimum standard (4:28).

The final area AAA champion came from West Chester East's Drew Hastie, who won the javelin with a throw of 198-9.

"That was a personal best for Drew," said East coach Mike Payton. "The nice thing was that three of his throws in the finals were all over 190 feet. He made it dramatic too, he didn't make it into the finals until his final throw of the trials."

Although he qualified for states in both the 100 and 200, Phoenixville's defending state 100 champ Carlos Garcia, was beaten in both races by Norristown's Daymon Carroll.

In Class AA competition, area athletes captured four individual championships and the automatic state berths.

The Kennett Blue Demons got a pair of gold medals from Andy Spencer (1,600) and Maurice Butcher (triple jump).

In perhaps the meet's closest race, Spencer (4:34.3) outlented Lansdale Catholic's John Algeo (4:34.5).

"It was luck, adrenalin and a little bit of everything," said Spencer. "I had coaches (at three locations) and they told me my time was off and I would have to win to go on."

Butcher leaped a season-best 43-1/2 to earn his ticket to Shippenburg.

"I was hoping to win, we had better weather today," said Butcher. "I was seeded first coming in. I was in to win it."

Garnet Valley's Matt Powell defended his shot put title with a throw of 49-11 1/2.

"The other week I threw 53-7 at Delco's but today I came up a little short," said Powell. "There wasn't any real problem it was more self-motivation. I wasn't able to push myself."

Oxford's Joey McDaniel (16.0) edged Garnet Valley's Tom Urie (16.1) in the 110 hurdles to capture the area's final state berth.

"I'm surprised I won," admitted McDaniel. "I had planned to start working next week. Now I'm going to have to call and tell them I can't make it. I don't know how I looked but I felt real good."

 Kaya Crutchfield also won the silver medal in the 200 with a 25.8, while Stevenson finished sixth with a 27.2.
 Both West Chester Henderson (fourth - 9:40.3) and Unionville (fifth, 9:40.9) earned state berths in the 4x800. Henderson also made states with its 4x400, which was fifth with a 4:02.9.

Villa's other gold medalists were Cassidy, who won the 800 in 2:24 and Danielle Marusa, who was runnerup in javelin as a freshman and sophomore, and then came back as a junior to place first at 107-feet-4-inches.
 Kaitlyn Egan had a silver weekend. After finishing as runnerup in long jump Friday, the Hurricane freshman was second in both the triple jump (33-10) and the high jump (5-0).
 "My triple jump was my best ever," said Egan. "Today, I was getting more speed — and I was psyched up."
 "My 5-0 in high jump was also my best in a meet this year, although I have gone higher in practice. My jumps were good."

Another key scorer for the Canes was Pam Thompson, who was second in the 3,200 at 12:19.5 and sixth in the 1,600 with a 5:47.3.
 "My 3,200 time was a personal best by over 16 seconds," said Thompson, a sophomore. "I was well-rested, so I took the first mile out faster than I usually do."
 Other scorers for Villa Maria were: Katie Kelly (fifth, 100 hurdles); Amanda Carson (third, 300 hurdles); Colleen Hallett (sixth, 3,200); Linda Gallagher (sixth, 800); Molly Dermody (fifth, triple jump); and the 4x100 relay (second).

 The Canes won in 4:06.9, but were offered a stiff challenge by Kennett's foursome of Christy Ginn, Chavonne Stewart, Nikki Evans and Angela Schleuter, which was second at 4:08.7.
 "Kennett really gave us a run for our money," said Ruley, VMA's anchor. "When I got the baton, I knew Angela Schleuter would be coming after me. She beat me in the 400 at the SCLL, so I knew she'd be out to get me."

Individually for Kennett, Schleuter was second in the 400 at 1:00.9. Ginn was fourth in the 200 at 26.6, Evans was fourth in the 100 hurdles at 18.5 and Stewart was sixth in the 100 at 13.4.
 The Demons also took fifth in the 4x100 relay with a clocking of 54.1.
 St. Pius X had a strong outing, including gold medal performances from Kristi James in the 1,600 and Mindy Rega in the 400.
 "I wasn't concentrating at the start," said Rega, a sophomore. "I was real nervous. Seeing my name being seeded first put a lot of pressure on me — and I was worried about the Kennett girl (Schleuter)."
 James won the 3,200 with a 12:10.1 and placed fourth in the 1,600 with a 5:46.4.
 "My stress fracture is acting up again," said James, a junior. "I was really running in a lot of pain in both races today."

 "It's just time. I had my mind made up most of the season, and I've been feeling this way for the last six months."

Carroll outduels Garcia in 100 and 200 a

Norristown's Daymon Carroll knew exactly how he wanted to close out his two duels with Phoenixville's Carlos Garcia.

"If I would have held back an inch or backed down at all, he would have got me," the Eagles junior said.

Yesterday at Coatesville High, in the second and final day of the PIAA District 1 track and field championship meet, Carroll and Garcia hooked up in two very fast races. And Carroll, a junior, followed his game plan and came away with two impressive wins.

First up was the Class AAA (large schools) 100 meters. Garcia was the defending district and state champion in the event and was the pre-race favorite. Garcia is known for closing after 50 meters, which is precisely what he did.

But Carroll, who had a slight lead over Garcia after 50 meters, also kicked in the afterburners and held on for the win in 10.73 seconds. Garcia was inches behind in 10.74.

In the 200 meters, it was Garcia who led with 50 meters to go, but Carroll ran him down to win in 21.60, with Garcia a stride behind (21.67).

"When I see someone in front of me, I go after them," Carroll said.

After both races, the two competitors embraced and congratulated each other.

Glen Mills dominated the AAA boys' team competition, racking up 81 points to easily outdistance second-place Upper Merion (35).

Norristown's Donna Fidler won the AAA girls' 3,200 in the meet-record time of 10:37.55 and also won the 1,600.

In the AAA girls' team race, it all came down to the 1,600 relay and North Penn finished second (3:59.90) for eight important points and a total of 60, one more than Penn Wood.

In the AA boys' competition, Harriton took the team title with 86 points to top Girard College.

The Rams did most of their damage in the sprints as Dave Brown (11.0), Adrian DaCosta (11.2) and Rob Gillman (11.4) swept the top three spots in the 100; DaCosta (22.89), Brown

(23.43) and Dereck Thomas (23.49) finished one-two-three in the 200, and Harriton won the 400 relay in a meet-record time of 43.68 and the 1,600 relay in 3:27.97.

The Villa Maria girls successfully defended their AA title, scoring 114 points to hold off St. Pius X. Dee Ruley won the 100 hurdles (16.58) and 300 hurdles (47.84) in addition to anchoring the 400 and 1,600 relays.

1995 District 1

Norristown's Daymon Carroll knew exactly how he wanted to close out his two duels with Phoenixville's Carlos Garcia.

"If I would have held back an inch or backed down at all, he would have got me," the Eagles junior said.

Yesterday at Coatesville High, in the second and final day of the PLAA District 1 track and field championship meet, Carroll and Garcia hooked up in two very fast races. And Carroll, a junior, followed his game plan and came away with two impressive wins.

First up was the Class AAA (large schools) 100 meters. Garcia was the defending district and state champion in the event and was the pre-race favorite. Garcia is known for exploding after 50 meters, which is precisely what he did.

But Carroll, who had a slight lead over Garcia after 50 meters, also kicked in the afterburners and held on for the win in 10.73 seconds. Garcia was inches behind in 10.74.

In the 200 meters, it was Garcia who led with 50 meters to go, but Carroll ran him down to win in 21.60, with Garcia a stride behind (21.67).

"When I see someone in front of me, I go after them," Carroll said.

After both races, the two competitors embraced and congratulated each other.

Glen Mills dominated the AAA boys' team competition, racking up 81 points to easily outdistance second-place Upper Merion (35).

Norristown's Donna Fidler won the AAA girls' 3,200 in the meet-record time of 10:37.55 and also won the 1,600.

In the AAA girls' team race, it all came down to the 1,600 relay and North Penn finished second (3:59.90) for eight important points and a total of 60, one more than Penn Wood.

In the AA boys' competition, Harriton took the team title with 86 points to top Girard College.

The Rams did most of their damage in the sprints as Dave Brown (11.0), Adrian DaCosta (11.2) and Rob Gillman (11.4) swept the top three spots in the 100; DaCosta (22.89), Brown

The Villa Maria girls successfully defended their AA title, scoring 114 points to hold off St. Pius X. Dee Ruley won the 100 hurdles (16.58) and 300 hurdles (47.84) in addition to anchoring the 400 and 1,600 relays.
