Dear Track & Field Fan:

Welcome to the PIAA District One Track & Field Championships. The student/athletes, coaches and administration from each team appreciate your attendance and support at this game.

This Championship Meet is one of the many exciting events sponsored by PIAA District One. Teams and individuals enter this Meet with the hope of reaching the PIAA Championship Meet in Shippensburg.

Please keep in mind that the student/athletes, coaches, and officials are making every effort to perform at their highest level. I would ask that we reward all of these individuals with our applause and positive cheers. Interscholastic athletics is one of the many valuable learning experiences that our member schools provide for young people.

Enjoy the meet, and best wishes to all of the competitors!

Sincerely,

Rod Stone
District One Chairman

CHARLES OTTO ROESER

by Bruce C. Cooper

Few men or women in the long and distinguished history of amateur sports in the United States was ever more deserving of the title of "Sportsman" than the late Charles Otto Roeser. For more than half a century, "Charlie" Roeser was an integral and essential part of almost every amateur--and many professional--sporting event that took place in the Philadelphia area as well as countless others over the face of the globe.

Roeser began his athletic career at the West Philadelphia High School, from which he graduated in 1920 at the age of 16, where he was a star performer in soccer, baseball, and track. After graduating from the Philadelphia Normal School three years later (and later adding Bachelor's and Master's degrees in education from Temple University), Charlie returned to the Philadelphia public school system as a teacher and spent the next four decades at the Mitchell Elementary School and Shaw Junior High School. His wife, Beatrice, was also a Philadelphia educator serving as Principal of several elementary schools and later as superintendent of District 8 from 1963 until her retirement in 1974.

Charlie Roeser began his career as a sports official in 1923 and it continued literally until the day he died 54 years later. As an official he was best known for his work in track and field and swimming among amateur sports, and in basketball and hockey in professional athletics. For 32 years (1944-1974) he served as Chief Starter of the Penn Relays as well as for countless other meets, and in swimming he officiated at over 9,000 meets from the grade school level to international competition during his career. He became a member of the U.S. Olympic Swimming Committee in 1936 and later served as its chairman for many years including the 1948 and 1952 Games. For the 1956 Olympic Games at Melbourne, Australia, Charlie Roeser served the U.S. swimming team as its manager, and for over forty years he also served the U.S. Olympic movement as registration chairman.

In 1953, Roeser was honored by being named the winner of the John B (Jack) Kelly Award given annually by the famous Philadelphia and Olympic medalist in rowing for "unselfish contribution to the development of sport." Charlie also served the National Amateur Athletic Union (AAU) as vice president and is a member of both the AAU and Helms Athletic Halls of Fame. Among Mr. Roeser's other accomplishments was the organizing of the Philadelphia Officials Club.

Charlie Roeser was as much a fixture at professional sporting events during his long officiating career as he was in amateur sports. For almost thirty seasons beginning 1946 he ran the clock at virtually every professional minor and major league basketball and hockey game played in Philadelphia. The last event he worked in his 54 years officiating career came on December 18, 1977, the day before he passed away in Somers Point, NJ at the age of 73. After attending the Eagles-Jets NFL game at Veterans Stadium that Sunday

afternoon, Charlie was at his usual post to run the clock at the Flyer-Canadians game at the Spectrum that night.

In 1975, Charlie Roeser's colleagues in the District One Chapter of PIAA Track and Field Officials established the Charles Otto Roeser Memorial Trophy to be presented to the winners of the PIAA District One boys and girls AA and AAA 1600 Meter Relay to honor this remarkable Philadelphia sportsman.

The 1996 trophies were presented to:

AAA Boys - Glen Mills AAA Girls - C.B.East

AA Boys - Harriton AA Girls - Kennett
