HOME TEAM: For all games in the tournaments, the higher seeded team will be the home team.

Seeding Meeting: Thursday 5/16/24 via zoom 7:30.

METHOD OF SEEDING:

Teams will be seeded in the tournament by using the power ranking system described below:

Win points—5 points for each win.

Schedule points—winning percentage of all opponents on your schedule X5.

Bonus points—the winning percentage of the team that your team defeated X12.

All schools on your schedule are now included in the calculation including non-PIAA schools. The power ranking is determined by dividing the sum of all the win points, schedule points and bonus points by the number of games played. It is strongly recommended that you play all 20 games. All games should be completed the day prior to the seeding meeting. Coaches of the winning team must report their score to the Score Service-- 800-756-4570. If you play a non-PIAA school or a non-District One school you must find their win-loss record by noon on May 18 and forward that record to Morgan Funsten (morg2316@yahoo.com)
