In an effort to plan accordingly for Friday May 21, our students begin school at 7:15AM and dismiss at 2:15 PM. Traffic increases significantly around our campus during these time periods. I have attached a map of our campus that outlines the parking and competition areas. Spectators, Coaches, and Student-Athletes not in competition, must wear face coverings. In an effort to prevent the spread of COVID-19, spectators are reminded to continue to use best practices, including social distancing, sanitizing/washing their hands often and to remain at home if not feeling well.

We have limited seating in the field event areas, so please encourage your fans to bring chairs. I will have personnel posted at the entrance directing spectators where to park as they enter campus. Portable restrooms are located throughout campus, at the field events competition area, as well as restroom facilities in the stadium.

If you have any questions regarding our facilities or related information, please do not hesitate to contact me. My contact information is included above. Thank you in advance for your cooperation and the Coatesville Area School District is honored to once again be able to host this year's Championship Meet. Good luck to all competitors and coaches!
