I have attached a map of our campus that outlines the parking and competition areas. We have limited bleacher seating in the field event areas, so please encourage your fans to bring chairs.

A QR Scan Code sheet is also below to print and cut to disseminate among your student-athletes and families as needed as a quick reference to access meet results and information.

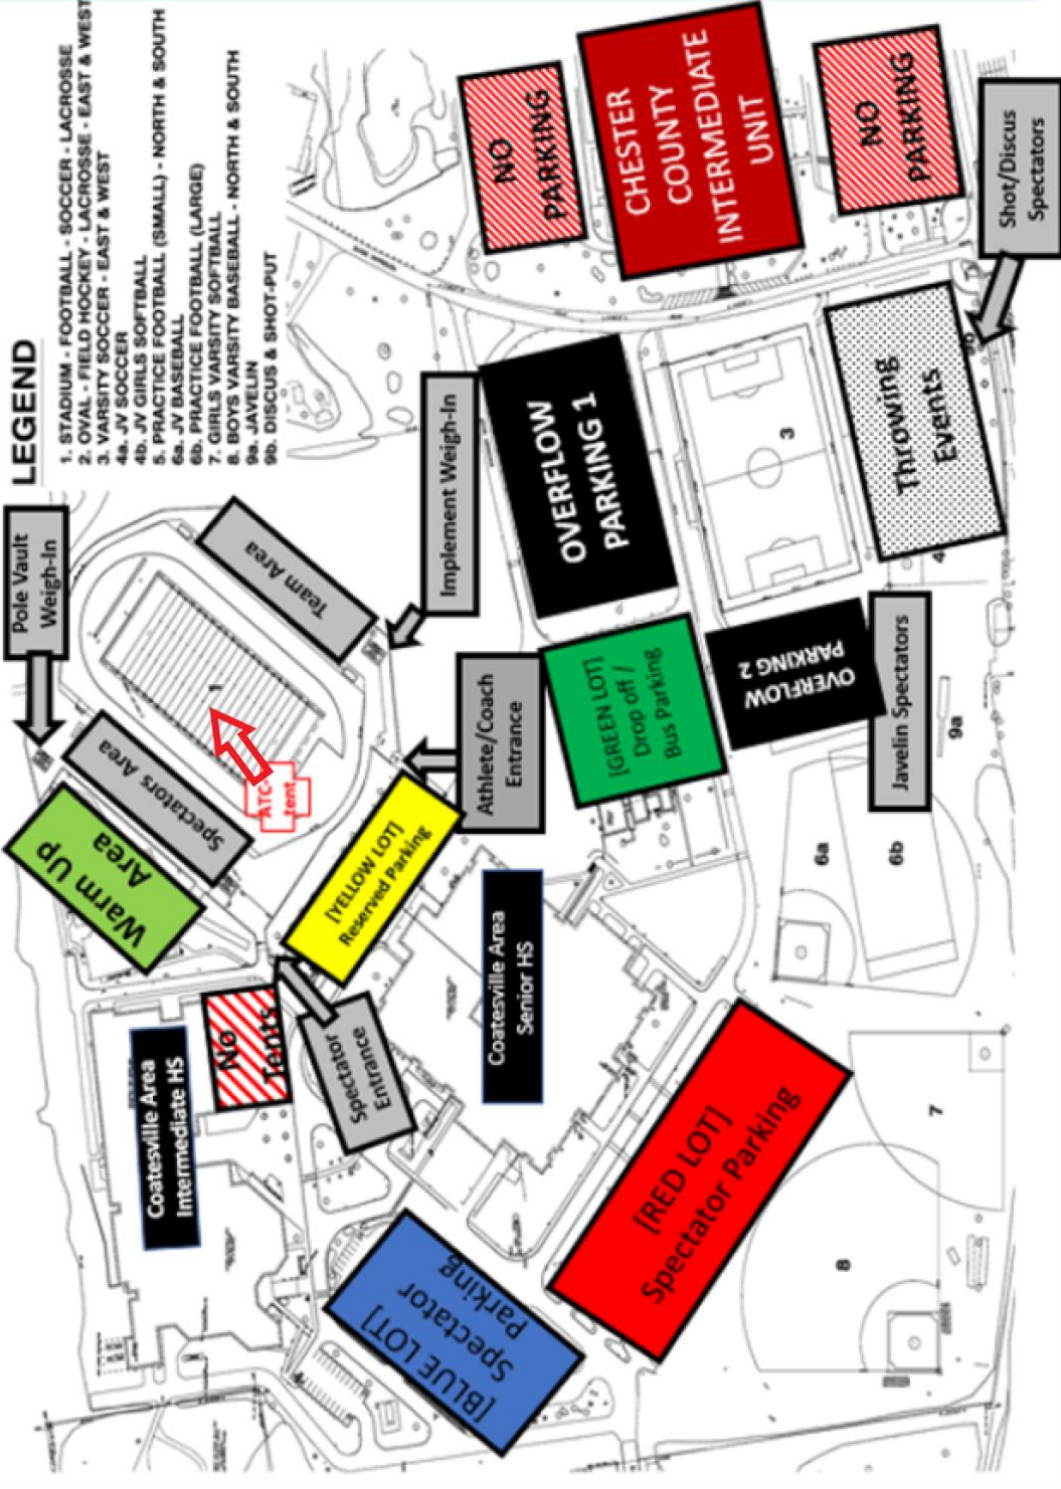

If you have any questions regarding our facilities or related information, please do not hesitate to contact me. My contact information is included above.

Thank you in advance for your cooperation and the Coatesville Area School District is honored to once again to be able to host this year's Championship Meet. Good luck to all competitors and coaches!
